

CH007 Answer Key · 答案与解析

CH007 · New Ground: The Disagreement

1. who owned the story — The conflict was about ownership, not about the group's ability.
2. cultivation — Cultivation appeared beside nutrition in the poster about growth.
3. develop the map — Develop naturally combines with a product, plan, or map.
4. rise — A rise in enrolment changed who studied at the university.
5. the cost of the map — They decided to publish the real cost alongside the map.
