

CH008 Answer Key · 答案与解析

CH008 · New Ground: What the Numbers Hide

1. describe a commuter's experience — Numbers cannot carry what a person feels while waiting.
2. attributable — The accident could be attributed to a broken lift rather than to temper.
3. enrich the sample — Enrich is used when adding depth or quality to data or soil.
4. attributable — Attributable means able to be explained by a particular cause.
5. the list — He asked for the list after admitting the project had achieved something.
