

Learning How to Learn: A Missing Voice

学会学习：缺席的声音

Theme: 学习方法与教育 · New: 45 · Review: 18 · Planned cumulative progress: 45/6, 127

English Story

The missing voice arrived in a **lecture hall**, from a member of the cleaning **staff**. She had worked in the same building for eleven years, and she had never been asked what she thought of the **academy**. “You **teach** the students how to read a **page**,” she said. “Nobody teaches them how to read a person.” The **revelation spread** through the room faster than the **information**, and along the back wall the class stopped taking notes.

Her own **schooling** had ended early. She had **learned medicine** from her mother, **literature** from the radio, and the **art** of remembering from a small notebook. “I **possess** no diploma,” she said, “and I am not **ignorant**. I am a **learner**.” She was **literate** in three languages, and her **enlightenment** had come from work rather than from a **lecture**. Not one **word** of it had been written down until that hour. The **writer** who took notes for the student paper called her a **scholar** by the end of the hour.

The **educational review** changed shape: for one week, the **staff** would **teach** and the students would listen. The first session was on the **foundation** of a good question; the second was on the **discipline** of silence. “**Skill** is not the same as **education**,” the cleaner said, and both of them wrote it down. **Experience**, she added, is not transferred by a **lecture** but by work.

Circulation of the reading-room books doubled. A **zoological exhibit** in the **hall** was visited by a class that had never entered it, and a **bright** exhibition of student writing hung beside it. The **examination** results, usually the only measure the **school** published, looked suddenly thin. Such a result had never appeared in any report the **academy** had produced.

He wrote a **review** of the week, and she read it aloud at the **fellowship** meeting. “If we **generalize** from one cleaner,” the **learned** professor said, “we **learn** nothing.” “If we do not,” Maya answered, “we **learn** less.” His own study of the reading room had used a different method, and he often said so; toward the end of the week he began to research the language of the **staff's** own example. The **learner** had taught the **academy** something that no **exam** could hold. The first **reader** of the transcript was a second-year student, and the week had done more to **educate** the faculty than three years of the map. The faculty would now have to **seek** a second opinion, and the **staff** were happy to provide one.

中文翻译

那个缺席的声音出现在一间讲座厅里，来自一名保洁人员。她在这栋楼里工作了十一年，却从没有人问过她怎么看这所学院。“你们教学生怎么读一页纸，”她说，“却没人教他们怎么读一个人。”这个启示传遍整个房间的速度比信息本身还快，靠后墙那一排的同学停下了笔记。

她自己的学校教育很早就结束了。她从母亲那里学医，从收音机里学文学，从一个小本子里学记忆的艺术。“我没有文凭，”她说，“但我并不无知。我是学习者。”她通晓三种语言，而她的启蒙来自劳作，而不是来自一堂课。在这一个小时之前，这一切没有一个字被写下来。为校报做记录的那位作家在一小时结束时称她为学者。

这次教育评审改变了形态：有一周，由职工来讲，由学生来听。第一场讲的是好问题的基础；第二场讲的是沉默的纪律。“技能不等于教育，”保洁员说，他们两人都把它记了下来。她补充说，经验不是靠一场讲座传递的，而是靠工作传递的。

阅览室图书的流通量翻了一倍。厅里一场动物学展览迎来一个从未进过这里的班级，旁边还挂着一场明亮的学生写作展。考试成绩——学校通常公布的唯一指标——突然显得单薄。这样的结果在这所学院产出过的任何报告里都从未出现过。

他写了一篇关于这一周的评论，她在联谊会上把它朗读出来。“如果我们从一位保洁员身上做概括，”那位博学的教授说，“我们什么都学不到。”“如果我们不这样做，”曼雅回答，“我们学到的更少。”他自己对阅览室的研究用的是另一种方法，他也常常这么说；到那一周接近尾声时，他开始研究职工自己那个例子的语言。这位学习者教给了学院一些任何考试都装不下的东西。这份记录的第一位读者是一名二年级学生，而这一周对教职员工的教化，比那张地图三年做的还多。学院现在必须去寻求第二种意见，而职工们很乐意提供一种。

Core Vocabulary · 核心词汇

Word / Pronunciation	Context meaning / source example
school sku:l POS: n	n. 学校, 鱼群, 门派, 学派; vt. 教育, 训练, 培养; vi. 成群地游 Collocation: — (not independently sourced) Example: n. an educational institution; n. a building where young people receive education; n. the process of being form...
