

CH020 Answer Key · 答案与解析

CH020 · Learning How to Learn: Pressure Builds

1. used a quotation to support a conclusion they never drew — Their sentence was quoted out of context in the annual report.
2. ignorance — The outside world's ignorance of the difficulty let the correction proceed.
3. identify the error — Identify combines with an error, a cause, or a pattern.
4. manipulate — She refused to turn a quotation into something it did not mean.
5. also information — He argued that publishing a correction informs readers rather than embarrassing the team.
