

CH023 Answer Key · 答案与解析

CH023 · Learning How to Learn: A Better Question

1. a hole — The reviewer saw an unanswered question, not a polite gap.
2. initiative — She took the initiative and cut the first page.
3. concentrate on the data — Concentrate combines with data, a task, or a problem.
4. receptive — He preferred an open mind to a combative one.
5. every number carries a name — The new opening line tied each figure to a person.
