English Story

The consequences came in the form of a school report. A **kindergarten headmaster**, a **therapist**, and a **poet** were listed as beneficiaries of the study, and not one of them had ever been asked. “**Admittedly**, that is a fault of **ours**,” Maya said. “We **cater** to the people who read reports, not to the people inside them.”

The first acknowledgement arrived with a **loaf** of bread and a jar of **jam**. A **silvery** morning, a **rainbow** over the sports hall, and the smell of a **loaf** cooling on a windowsill made the whole argument feel **splendid** and slightly unreal. “**Sugar, honey, candy, biscuits**,” Lin wrote. “The vocabulary of comfort is doing the work of the vocabulary of proof.”

He was frustrated by the tiny scope. Young volunteers wanted a **glorious** result, and the **darkness** of the numbers was **itself** the answer. “A **peach** and an **orange** are not the same fruit,” Maya said, “even when both are sweet.” **Furniture** was moved to make room for a new shelf, and the **glow** of the reading lamp became the room's only decoration.

The children taught **themselves** faster than the adults did; the method **itself** was not the problem. A **bushy** hedge, a **tomato** plant, and a **rose** in a **wine** bottle stood on the windowsill. “A **teen** can tell when a **greeting** is automatic,” the **therapist** said. “That is the **awful** part.” A **dark** joke about the **yellow** folder did not help.

A **scholastic** prize, a **sandwich**, and a **shine** of sweat on the window told **him** nothing about what the children had actually learned. They wrote a **philosophical** page about measurement and a **sleepy** one about the six forms of feedback. Then they stopped, because the **poetry** of the thing was becoming a substitute for the thing. “From here on,” Lin said, “we lead with what we do not know.” All of it was **given** to the school without conditions; however, there was a lot they could not hear from the corridor. So this was the other side of the **yellow** folder: a **fortunate** habit of writing things up, and nobody up there to read them. A movie would have ended here; a project does not.

中文翻译

后果以一份学校报告的形式到来。一位幼儿园园长、一位治疗师和一位诗人被列为这项研究的受益人，而他们当中没有一个曾被问过。“诚然，这是我们的过失，”曼雅说，“我们迎合的是读报告的人，而不是报告里面的人。”

第一份致谢随一条面包和一罐果酱到来。一个银色的早晨、体育场上空的彩虹，以及窗台上冷却面包的气味，让整个论证显得灿烂又有点不真实。“糖、蜂蜜、糖果、饼干，”林伟写道，“舒适的语言正在干证明的语言的活。”

他被这微小的范围弄得沮丧。年轻的志愿者想要一个光荣的结果，而数字里的黑暗本身就是答案。“桃子和橘子不是同一种水果，”曼雅说，“即使两者都甜。”家具被搬动，为一只新书架腾出位置，阅读灯的微光成了房间里唯一的装饰。

孩子们教自己的速度比大人更快；方法本身并不是问题。窗户上放着一丛茂密的树篱、一株番茄，以及插在葡萄酒瓶里的一朵玫瑰。“青少年能分辨出问候是不是自动的，”治疗师说，“那才是可怕的地方。”关于那只黄色文件夹的一个黑色玩笑并没有帮上忙。

他们写了一页关于测量的哲学文字，又写了一页关于六种反馈的、令人困倦的文字。然后他们停下来了，因为这件事的诗意正在取代这件事本身。“从这里开始，”林伟说，“我们用我们不知道的东西开头。”所有这些都无条件地交给了学校；然而，有很多东西他们从走廊里根本听不见。所以这就是那只黄色文件夹的另一面：一种写下来的幸运习惯，而上面没有人去读。一部电影会在这里结束；一个项目不会。

Core Vocabulary · 核心词汇

Word / Pronunciation	Context meaning / source example
him him POS: pron	pron. 他 Collocation: — (not independently sourced) Example: pron. Them. See Hem.; pron. The objective case of he. See He.
themselves ðəm'selvz POS: pron	pron. 他们自己, 她们自己, 它们自己 Collocation: — (not independently sourced) Example: pron. The plural of himself, herself, and itself. See; Himself, Herself, Itself.
itself it'self POS: pron	pron. 它本身, 它自己 Collocation: — (not independently sourced) Example: pron. The neuter reciprocal pronoun of It; as, the thing is; good in itself; it stands by itself.
