CH031 · Promises and Pressure: A Missing Voice

1. a qualification is a permission, not a person — She refused to let credentials stand in for experience.
2. thoughtful — The group recorded her small, considerate details.
3. communicate grief — Communicate combines with grief, a finding, or a feeling.
4. bore — He judged dullness harsher than failure.
5. the survey asked what people tend at home — Her intervention changed the survey's opening question.
