

CH044 Answer Key · 答案与解析

CH044 · The First Real Deadline: The First Promise

1. every claim would have an account behind it — Each statement needed a documented basis.
2. intangible — The right to refuse was real but invisible.
3. remove the word — Remove combines with a word, a label, or an obstacle.
4. employer — The manager showed them what an employer does under financial pressure.
5. the word work — He replaced the idea of a career with the fact of work.
