

The First Real Deadline: A Missing Voice

第一个真实期限：缺席的声音

Theme: 求职、职场与职业发展 · New: 45 · Review: 18 · Planned cumulative progress: 45/6, 127

English Story

The missing voice belonged to a woman with a **serious face** who had been paid off in the last **layoff**. She came to the office with a **purse**, a folder, and a **paragraph** she had written by hand. "You are **printing** a story about people like me," she said. "I would like to see the **text** before it goes to the printer."

The team assumed she wanted money. She wanted accuracy. "The **collection** of interviews you have is a **drama**," she said. "It is not a **poll**. My name is on your list, and I am **available** to be interviewed properly, **together** with the others."

She was right about the **diagram**, too: the arrows pointed upwards, and the **payroll** line went downwards. "**Regulate** that," she said, "or your **illustration** will do the work of a **layoff**." A **mature** engineer from the **founding** team agreed, and the young **kid** from the mailroom, who had expected a special bonus, went quiet.

She asked one question that the **panel** could not answer: who buys a house on a zero-hours contract? "The **means** are not the same as the opportunity," she said. "Your film will **deliver** a story about **insurance** and **copyright**, and it will miss the **sale** of a person's whole week." The office was **open** and **idle** that afternoon; the **craze** for the platform had not yet reached the third floor.

They gave her the **text** and the **location** of every **print** run. "I am **glad** you asked," Maya said. "I am not asking," the woman replied. "I am telling you what an **appropriate interview** looks like." The **interactive apparatus** in the corner hummed; nobody looked at it. The **paragraph** she had written was better than the one they had, and they used it, **including** her name at the top.

For the **panel**, the **interview** was also a test of the **illustration**: was the **diagram** **accurate**, and did it **serve** the reader? A **mature** engineer from the **founding** team said the **print** run was too early, and that the **payroll** should be regulated before the **sale** of any subscription. "You **assume** a small office," she said. "Allow me to say that a **kid** from the mailroom can see what a **copyright** does to a **hire**." They were **glad** to be corrected, **together**, in a **spot** the **apparatus** could record. The **purse** stayed closed; the **drama**, at least, was now **available to buy**. The teacher of the evening class, who had left the industry two years later, said the business of the field was to **protect** the reader, and that no **royalty**, however **effective**, could **engage** a person who had already turned away.

中文翻译

那个缺席的声音属于一位面容严肃的女士，她在上一次裁员中被买断。她带着一个钱包、一个文件夹和一段手写的文字来到办公室。“你们要印一个关于像我这样的人的故事，”她说，“我希望在它进印刷厂之前看到文本。”

团队以为她要钱。她要的是准确。“你们收集的访谈是一部戏剧，”她说，“不是一次民意调查。我的名字在你们的名单上，我可以和别人一起，被正式地采访。”

她关于图表的说法也是对的：箭头朝上，而工资线朝下。“去把那条规范掉，”她说，“否则你们的插图就会干裁员的活。”创始团队一位成熟的工程师表示同意，而那个本以为会拿到特别奖金的收发室孩子沉默了。

她问了一个评审小组答不上来的问题：谁会拿着一份零时合同去买房子？“手段不等于机会，”她说，“你们的影片会讲述一个关于保险和版权的故事，却会漏掉一个人整周的出售。”那天下午办公室空敞而闲散；对那个平台的狂热还没有传到三楼。

他们把文本和每一版印刷的所在地都给了她。“我很高兴你问了，”曼雅说。“我不是在问，”女士回答，“我是在告诉你，一次恰当的采访是什么样子。”角落里那台互动装置嗡嗡作响；没有人看它。她写的那段比他们写的好，他们采用了它，包括把她的名字放在最上面。

对评审小组来说，这次采访也是对插图的检验：图表是否准确，是否对读者有用？创始团队一位成熟的工程师说印得太早了，工资名单应当在任何订阅出售之前被规范。“你假定这是一间小办公室，”她说，“请允许我说：收发室的孩子也能看出版权对一个聘用意味着什么。”他们很高兴被纠正，一起，在一个装置能记录下来的地点。钱包始终没有打开；至少这出戏剧现在可以买到了。那位晚间班的老师，两年后离开了这个行业，说这一行的本分是保护读者；而任何版税，无论多么有效，都无法吸引一个已经转身离开的人。

Core Vocabulary · 核心词汇

Word / Pronunciation	Context meaning / source example
face feɪs POS: n	n. 脸, 面容, 正面, 外观; vt. 面对, 朝, 正视, 面临; vi. 朝, 向; [计] 现场可改变的控制元件 Collocation: — (not independently sourced) Example: n. the front of the human head from the forehead to the chin and ear to ear; n. the general outward appearance...
