

The First Real Deadline: Evidence on the Table

第一个真实期限：摆上桌面的证据

Theme: 求职、职场与职业发展 · New: 45 · Review: 18 · Planned cumulative progress: 45/6, 127

English Story

The evidence meeting was held **in a shop** that had been converted into an office. A **wooden** counter, a **traditional** sign, and a **book** of invoices remained from the previous owner. “We need to **establish** what we owe,” the woman said. “The **cost** of the film is not the **cost** of the work.” **One part** of the room was still a **shopping** aisle, and **his face when** he saw it was worth the trip.

Their **pay** came from a **corporation** with an **outstanding** tax case and a **pension** fund that it had quietly replaced with a loan. An **investor** and a **banker** came to the **exhibition**; a **lobbyist** came too, and stayed for the wine. “The **consumer** pays twice,” the **dealer** said. “Once **in** cash, once **in** attention.” **Since** the contract began, no **one** had written that sentence down until now.

The **arrival** of the **supply** figures changed the argument. A **supplier** of **advertising** space, a **musician** who wrote **derivative** jingles, and a young **capitalist** from the party of the **premier** all agreed on **one** point: the **demand** for **goods** was a **threat** to the small **shop**, not a **help**. They could **read** the writing on the wall, and they could not **write** it off as pessimism.

The team published a **one**-page report, with a workshop and an open **workout** for anyone who wanted to **read** it. **Participation** was voluntary, the **initiation** was a cup of tea, and the **overtime** was unpaid. “That is the **compensation**,” Maya said. “The **mutual appreciation** of people who cannot afford to leave.” **Together** they checked every figure twice; **whether** the client would accept it remained a question.

Their earnings were smaller **than** the **assistance** they had received, and the second **part** of the **study** was harder to **write**. Some of **them** would **fulfil** the contract; some would **convey** the problem to the council instead. It was a **valuable** lesson and an **earnest one**, and the **shopping** street outside told the same story. The **income** was small and the room was **big**; a copy of the contract was **available** in the corridor, and nobody had **read** it. “**When** the **consumer** is also the **servant**,” Lin wrote, “the **exhibition** is the only honest form of **advertising**.” They would **continue**, but they could not **remain** silent, and the difference between those two verbs was the whole fourth arc.

中文翻译

证据会议在一家被改造成办公室的商店里举行。前任店主留下了一张木柜台、一块传统的招牌和一本发票簿。“我们需要确立我们欠什么，”那位女士说。“影片的成本不是工作的成本。”房间的一角还是购物通道，而他看到它时的表情值得这趟路程。

他们的薪资来自一家有未结税务案件的公司，以及一笔被它悄悄换成贷款的养老金。一位投资者和一位银行家来看了展览；一位说客也来了，并留下来喝完了酒。“消费者付两次钱，”经销商说，“一次用现金，一次用注意力。”自合同开始以来，没有人把这句话写下来过，直到现在。

供应数据的到来改变了争论。一位广告位供应商、一位写派生广告曲的音乐家，以及总理本党的一位年轻资本家，都在一点上意见一致：对商品的需求对这个小店是威胁，而不是帮助。他们读得懂墙上的字，也无法把它当作悲观主义一笔勾销。

团队发布了一份一页纸的报告，并举办了一场工作坊和一次公开演练，供任何想读的人参加。参与是自愿的，入会仪式是一杯茶，加班是无偿的。“这就是补偿，”曼雅说，“那些走不起的人之间相互的赏识。”他们一起把每个数字核了两遍；客户是否会接受，仍然是个问题。

他们的收入少于他们得到的协助，而研究的第二部分更难写。他们中有些人会履行合同；有些人会把问题转达给委员会。这是一堂有价值的课，也是一堂诚挚的课，而外面的商业街讲的也是同一个故事。收入很少，房间很大；走廊里放着一份合同的副本，而没有人读过它。“当消费者同时又是仆人时，”林伟写道，“展览是唯一诚实的广告形式。”他们会继续，但不能保持沉默，而这两个动词之间的差别，就是整个第四段弧线。

Core Vocabulary · 核心词汇

Word / Pronunciation	Context meaning / source example
in in POS: prep	prep. 在...期间, 在...之内, 处于...之中, 从事于, 按照, 穿着; adv. 进入, 朝里, 在里面, 在屋里; a. 在... Collocation: — (not independently sourced) Example: s. holding office; s. directed or bound inward; s. currently fashionable; r. to or toward the inside of
