

CH076 Answer Key · 答案与解析

CH076 · The Cost of Always Being Busy: Pressure Builds

1. every athlete gives two hours a week to the open class — Health became a shared requirement, not a private choice.
2. complication — She called overwork a complication of modern scheduling.
3. relieve distress — Relieve combines with distress, pain, or pressure.
4. timetable — The doctor blamed the schedule, not the person.
5. hurry a body through a century in one season — She refused to promise speed the body cannot deliver.
