

CH085 Answer Key · 答案与解析

CH085 · What the System Remembers: A Signal

1. a file nobody had uploaded — An unrecognised file appeared in the public download.
2. omission — She argued that what is left out proves more than a logo.
3. take a reflection — Take combines with a reflection, a risk, or a decision.
4. omission — The missing consent mattered more than the branding.
5. its willingness to show the file first — He defined strength as early disclosure.
