

CH086 Answer Key · 答案与解析

CH086 · What the System Remembers: The First Promise

1. a program with a reason — She tied each system to a stated justification.
2. indicator — An indicator shows a state; it does not control it.
3. monitor access — Monitor combines with access, a system, or a cost.
4. conscience — A scanner records without judging.
5. with deletion — He argued for collecting less before designing more.
