

CH088 Answer Key · 答案与解析

CH088 · What the System Remembers: Evidence on the Table

1. proof — She reframed privacy as a question of evidence.
2. clarification — The first fix was clarifying the purpose of collection.
3. justify an action — Justify combines with an action, a cost, or a claim.
4. maybe — Collection had to rest on a stated basis, not a possibility.
5. a service — He distinguished stored goods from actual service.
