

CH096 Answer Key · 答案与解析

CH096 · What the System Remembers: The Decision

1. less, and add more only when the term is clear — They chose subtraction first.
2. justification — Every line needed a written reason beside it.
3. reduce a form — Reduce combines with a form, a cost, or a risk.
4. continuity — Enthusiasm is not the same as steady practice.
5. by the question a person asks — He organised the form around the user's question.
