

CH101 Answer Key · 答案与解析

CH101 · The River Answers Back: A Missing Voice

1. five of the seven — Two families had been left out.
2. surplus — Plenty of data, but not the local kind.
3. quantify a scarcity — Quantify combines with a scarcity, a change, or a benefit.
4. hydrologist — She dismissed borrowed authority over the river.
5. activity and place together — He tied measurement to the people who live there.
