

CH110 Answer Key · 答案与解析

CH110 · The River Answers Back: The Decision

1. a metal lock on the canal and a forest kept for timber — Water control and woodland could not both be maximised.
2. pressing — The funding question could not be postponed.
3. finalize a plan — Finalize combines with a plan, a text, or a budget.
4. persuasive — The forestry numbers did not convince the chair.
5. the top of the file — They refused to write a conclusion before the data.
