

## Who Pays and Who Decides: The Second Attempt

### 谁承担，谁决定：第二次尝试

Theme: 社会问题、经济与公共生活 · New: 44 · Review: 18 · Planned cumulative progress: 44/6,127

#### English Story

The second attempt was designed to **win** a majority and to keep the **profit** inside the city. The **author** of the plan, a **concerned juror**, and a **religious** charity were all present. “A **reasonable visitor** can see the **ring of poverty** around the center,” the **author** said. “**Sufficient spending** is not the same as **administrative** courage.”

The **winner** of the first round was the **so-called** independent list, and its members were **angry** about the **alleged secrecy** of the **customs** office. “A **guilty suspect** is not a conviction,” the **investigator** said. “We **confine** the investigation, not the people.” The **prize** of the second round was a **restrictive** but **diplomatic** settlement.

The **organizational** problem was that the victims of the old tariff had no **juror** of their own. “We **deprive** the poorest ward of a voice and then we call the result a democracy,” the **pollster** wrote. “That is how you **victimize** a neighborhood legally.”

The **rage** in the hall was real and it was not **meritorious**. “A **gangster** and a charity both use a **stony** face,” the **juror** said. “The difference is the ledger.” The confession of the clerk about the **drainage** accounts was the turning point of the evening, and nobody had expected it.

The **affluent** ward and the **chaotic** one were set at the same standard for the first time. “We must **confess** that the first attempt failed on the same set of numbers,” Lin said. “The light, the oil, and the main pipe were all counted and none of them was compared.”

The second attempt was **trying**, and it was not **happy** work. “We **enjoy** the theory and we **bleed** over the **drainage**,” the treasurer said. “That is the whole of the job.” The benefit of the doubt, the claim of the congress, and the environment of the room had all changed by the end of the session. The **winner** was **concerned** about the **victim**, and the **ring of poverty** was the only **prize** worth having. A **reasonable** and **sufficient spending** plan, an **angry juror**, and a **guilty suspect**: all of them were part of the same **trying** year. We would **confess** the limit and **confine** the scheme. The main product of the first attempt was a set of numbers that only a strong theory could defend; the oil, the light, and the **drainage** were the same standard then and now, and the theory would fail if the free water were a lie or if the **guilt** were never admitted.

#### 中文翻译

第二次尝试的设计目标，是赢得多数并把利润留在城里。方案作者、一位关切的陪审员，以及一家宗教慈善机构都在场。“一位讲道理的访客能看到中心周围那圈贫困，”作者说，“充足的经费不等于行政上的勇气。”

第一轮的胜利者是那份所谓的独立名单，其成员对海关被指称的保密做法感到愤怒。“一个有罪的嫌疑人不等于一项定罪，”调查者说，“我们限制的是调查，不是人。”第二轮的奖品是一份有限制但讲外交的和解方案。

组织上的问题是：旧费率的受害者没有自己的陪审员。“我们剥夺最贫困选区的发言权，然后把结果称为民主，”民意调查人写道，“这就是合法地使一个街区受害的方式。”

大厅里的愤怒是真实的，而且无功劳可言。“歹徒和慈善机构都用一张无情面孔，”陪审员说，“区别在于那本账簿。”职员关于排水账户的坦白是当晚的转折点，而没有人预料到。

富裕选区和混乱选区第一次被放在同一个标准下。“我们必须坦白，第一次尝试是在同一套数字上失败的，”林伟说，“光、油和主管道都被统计过，而没有一样被比较过。”

第二次尝试很难受，也不是快乐的工作。“我们享受理论，却在排水问题上流血，”司库说，“这就是这份工作的全部。”到会议结束时，疑罪从余的余地、国会的诉求，以及屋里的环境，都已经变了。胜出者关心的是受害者，而贫困的那一圈是唯一值得拥有的奖品。一份合理且充足的支出计划、一位愤怒的陪审员，以及一个有罪的嫌疑人：它们都是同一个难受年份的一部分。我们会坦白这个限度，并把这个方案限制住。第一次尝试的主要产物是一堆只有一个强理论才能辩护的数字；油、光与排水，当时和现在都是同一个标准，而如果免费的水是一个谎言，或者那份罪责从未被承认，这个理论就会失败。
